

Dear women of God,

I am so pleased to have this opportunity to greet you in the name of Jesus.

I thank God for committed women who love Jesus and seek to share the good news of redemption and hope to people in their communities. What a joy to witness transformation in lives that have been influenced and impacted by the truth of the gospel. Thank you for all you do to help women and families to live with respect, grace and purpose as they journey through their lives.

We need to remind each other that this world is not our home. We are 'On The Way To Heaven'. These are excellent words for our 2019 International Women's Ministries theme. This theme will help us look at how our heavenly citizenship influences the way that we live here on earth. Heaven is for real and we need to focus our eyes and hearts on Jesus.

I am pleased to champion and support the 2019 Bible Studies that have been prepared by godly women officers who have listened to what God has to say through his Word on this powerful theme. We value their research and contributions and we believe that God is going to take these Bible Studies and use them in ways we cannot even dream or imagine.

We will pray for you as you find creative, relevant and inspiring ways to share these 12 Bible Studies in as many circles as possible during 2019. I encourage you to join us in our endeavours to explore the wonder and majesty of Heaven.

I am on my way to Heaven ... how about you?

Blessings in Christ,

*Rosalie*
