

It's a new year. Make a resolution to advance your education.

Explore the benefits of planning your future with the University of Phoenix.

A new year offers a fresh start and an opportunity to add new skills to help you on your professional journey. The start of the new year is a great time to leverage your employer sponsored tuition assistance program and consider pursuing that next degree!

Tuition-saving opportunities

University of Phoenix and **The Salvation Army - Eastern Territory** have teamed up to make pursuing education more affordable. Spend less and graduate faster with potential transfer credit for on-the-job training, workplace certifications, military service and experiences, and prior education.

Career-relevant education

Get education and guidance designed to support your career goals with instruction from faculty with real-world working experience, and degrees and certificates aligned to 300+ occupations.

Exceptional flexibility

Learn when and where you want, and get help anytime. With frequent start dates, you have up to 18 opportunities a year to earn your bachelor's degree.

Support every step of the way

Start the new year off right. For more information, visit:
